CHAIRMAN'S REPORT

The Chairman began by thanking all Parish Councillors, and the staff of the Parish Post for reporting our meetings. The Parish Council's finances are healthy.

Planning: 3 site meetings were held during the last 12 months: Kempton Farm - no progress as yet, Clunton Coppice - application now approved, Hurst Barn - still not finally resolved.

NHS: It was believed that A&E would be based in Shrewsbury. Bishops Castle hospital seemed to be safe, the position with Ludlow was less clear. Clun Surgery was working well.

Clun fire station was having a big rebuild which would suggest it was safe for the future. This was good news for the valley.

Road conditions. Some pot holes had been repaired. Kier contracting was now doing the work. The head of Kier would be attending the June meeting of the LJC.

SHROPSHIRE COUNCILLOR'S REPORT

Cllr Hartin had circulated a written report, which was read by the Clerk. A copy is appended to these Minutes.

There being no further business the Chairman closed the Annual Parish Assembly.
