The main planting is of oxeye daisies, perennial red poppies, a perennial blue cornflower (I think it is a form of knapweed), red campion, yellow rattle, white valerian, dead nettles and clover. All very low maintenance but high results for bees and butterflies and infinitely better than strimmed grass!

South West Shropshire Gardening Club

Five Centuries of Women and Gardening' A Talk by Richard Rallings Wednesday 24 July 7.30 pm

Lydbury North Village Hall his month's talk is by Richard Rallings of Mynd Hardy Plants.

Since medieval times, when medicinal herbs were essential, through the creation of great formal renaissance gardens, into the 17th century and the rolling hills of Capability Brown, Kent and Repton, a person could be forgiven for thinking that women - apart from the odd witch - never dirtied their dainty hands.

Apparently, this could not be further from the truth. Women have always been great gardeners and great garden creators. Apart from the few notable exceptions, such as Gertrude Jekyll and Vita Sackville-West, many think of women gardeners as a 20th century phenomenon.

Richard is here to put us straight, and cast a much needed light onto the work of women gardeners and their gardens, stretching back over the last five centuries. A talk not to be missed!

The talk is free to members of South West Shropshire Gardening Club; visitors are also welcome at £5 per person including refreshments. Any further queries to Sandy Burton 01588 680454 or on our website:

2019 Garden & Produce Show IT'S SHOW TIME!

This year's Garden Club Show is getting nearer. We would like to take this opportunity to encourage all aspiring contributors to keep tending their onions and pruning their roses, despite all the weather a Shropshire summer can throw at us!

Last year was great fun, but we would like to make this one even better. We welcome members and non-members alike, and hope that even more of you will enter this year's show.

It's not just the biggest runner bean. If you enjoy baking, brewing sloe gin,

knitting, upcycling or capturing those special moments on celluloid, then there's a category that suits you. Just have a go. There are some great prizes this year, but as they so rightly say, 'it's the taking part that counts'!!

Saturday 31 August 2019 2.00 - 4.30 pm

There will be refreshments, cakes and a plant stall on the day, so put it in your diary!
