Charities Benefit from 90th Birthday

Brian Morgan's pre-90th birthday party was held in the Purslow Sports Tent on August Bank Holiday Saturday. He requested no presents (not even his favourite Grouse), but asked for money to be donated to The Midlands Air Ambulance and to Help the Heroes. As a result these charities will share a donation in excess of £2,000.

Brian was born at Llan Farm on 2 November 1921, to Mildred and Melville Morgan (a Methodist preacher and farmer). The snow was so deep that the midwife was brought up from The Twitcheh on the back of a shire horse – no Health & Safety issues in those days! Ida Gandy, author of *An Idler on the Shropshire Borders*, who was a visitor to the farm, mentions how one of the male sheep dogs came to be called Juno, because Brian and his brother John

would talk continually to him saying 'D'ye know this? D'ye know that?'

Brian rode a pony to Clunbury School from the age of four and still rides and drives horses to this day. Happy 90th Birthday Brian!

Sue Hill (with thanks to Sandra Morgan)

Sad October for the Parish

This month Clunbury Parish has lost three well known and well loved people.

Ken Jones was born and bred in this area and farmed at the Twitchen all his working life. He was a much loved and respected man whose gentle humour, kindness and common sense will be missed very much. He played an important part in all aspects of the life of our local community, including serving on the Parish Council.

Jayne Bailey, also of Twitchen, will be greatly missed, as despite being on crutches in recent years, she continued to be involved in local life both in Clunbury and Clungunford, where she was a loyal and active member of the Parish Hall Committee.

Penny Marsh. To say that Clunbury was stunned by the sudden and unexpected death of Penny is an understatement. She was full of life and blessed with enormous energy, she was at the heart (and in the hearts), of the community. Penny wore so many hats - she served the school in many ways over many

years and was like a mother to generations of children there; until recently she was also involved in running the Village Hall, managing bookings, cleaning and doing whatever needed doing; she was a staunch supporter of the Church, a member and sometime Secretary of the Parochial Church Council; and as a member of the Parish Council, took the Chair at her last meeting and asked for a minute silence in remembrance of Ken Jones. Penny was a lovely and very special person who wore all her hats with unstinting generosity and flair. The village seems empty without her and I think we still expect to see her walking through with Max.

Our deepest sympathy goes out to all three families.

Thanks to all those who have contributed to this piece.

Bible Study Group

After a successful first meeting attended by nine people, the group will meet again on Tuesday 1 November at 2.30pm at 9 Redwood Drive, Aston on Clun, phone Vivienne Slack 660760 or Sheila Hindle, 660302 for more details.

An Hour of Meditation will take place on Tuesday 15 November, 7.30pm at Sheila & Jim Hindle's home in Clunton.

Clunbury Under Fives Christmas Card & Coffee Morning

Clunbury Village Hall will be the venue for the sale of Christmas cards on Wednesday 9 November between 9am and 12 noon. Beat the rush and get organised in plenty of time by purchasing your top quality cards from Phoenix cards and enjoy a cuppa and some homemade cake whilst you browse. Anyone wishing to book a table in the hall, please contact Zoe Edwards 07795 381106. All proceeds to Clunbury Under Fives.

£900 Raised for Afghan Heroes

Congratulations are due to our own Sue Hill. She recently helped raise £900 for the charity Afghan Heroes by completing an impressive 60 mile sponsored walk round the Bishop's Castle Ring in five days with her friend Gill Lucas, who has a son

currently serving in Afghanistan. They are both very grateful for all the support and encouragement they received from friends and businesses in the area.

Local Cheese, Clunton Puddings and Plenty of Wine!

The Cheese, Wine and Puddings evening held at The Orchard in Clunton was well supported. The cheese was mainly local, from Shropshire and Hereford, and there was little left over! As always, the puddings, homemade in the village, were quite delicious with a delightful range to choose from.

The wine flowed well into the evening and the event raised £503 for St Mary's Church. Well done everyone and many thanks for all the contributions.

We all had a Whale of a Time....!

On Saturday 22 October Clunbury Village Hall held its first Hall 4 All event since its refurbishment over the summer. The people of Clunbury (and some from as far away as Birmingham!) were once again treated to the outstanding voice of Anna Oakes and the superb musicianship of Richard, Anna and Mel, followed by the incredibly talented Whalebone.

The audience, who ranged in age from eight to seventy five years, were thoroughly entertained by both the music and stories of Steve, Charlotte and Sarah and a good deal of laughter and dancing was enjoyed by all.

Praise for Clunbury Craft Fair

We had a well supported and successful day with visitors warm and enthusiastic in their praise of the crafts (and cake!) on offer. Many people said they hoped it would be an annual event and I certainly hope so! Huge thanks to many helpers but especially Barbara, Joy, Hope and Jack Freeman and Sue and David Hill for serving refreshments and selling raffle tickets, which raised £137.50 for the Parish Post.

Local Joint Committee (LJC)

The LJC meeting held in Bucknell on 6 October covered a wide range of topics of which we have picked two which we hope will be of interest to our readers. The LJC asked for information on waste recycling to be publicised as there have been problems due to some users not knowing the rules. If you want to know more about what our LJC gets up to go to www.shropshire.gov.uk/committee.nsf

Waste Recycling Permits

If you take waste to any of Shropshire Council's Household Recycling Centres (HRC's) in a trailer or commercial-type vehicle, you may need an entry permit. Certain types of vehicles are completely banned. To avoid disappointment, call 0345 6789 007 before you visit the site or you may be prevented from using it.

Entry permits are free to households in the Shropshire Council area. You must apply in advance and then 12 permits will be posted out. You are limited to 12 permits once every 12 months. Each permit allows one visit to an HRC. Permits get checked by the site attendant. A permit does not entitle you to tip or recycle trade waste.

You do not need a permit if you are using a standard car or a small trailer which is no more than 1 m² (4 ft x 3 ft). For more information go to www.shropshire.gov.uk/waste.nsf

Broadband Update

Shropshire Council has £10.2M to invest in improving broadband coverage in Shropshire. They are now seeking a commercial partner to contribute additional money. The aim is for every household and business to have access to at least 2Mb/sec broadband and to improve mobile broadband coverage. The Council are conducting a survey to establish what is required. To take part phone 01743 252598 or go to www.connectingshropshire.co.uk

I think it is likely to be some time before we see the benefits of this investment.
