Lorna James Recital

Lorna James (Soprano) and Tom Henderson (Piano) gave a recital at Clunbury Parish Church on Friday 16 September. What a treat. We were given an evening of pure joy. The programme "The Seasons Through Song" was very well balanced, covering a wide range of composers from Rachmaninov to Gershwin.

Lorna has an amazing voice which soared to the rafters without any apparent effort, and her interpretation of the words and music was superb. She handled Richard Strauss (notoriously difficult) beautifully, and her rendition of "Hotel" by Poulenc was delightfully coquettish and very French. For an encore, she accompanied herself on the piano in a lovely melancholy, bluesy setting of "Autumn Leaves".

Tom accompanied Lorna wonderfully on the piano, and the disappointingly small audience were fortunate to listen to two immensely talented young people. Thank you Lorna and Tom for a wonderful evening. *Kris and Jim Tipton*

From Barney and Amaryllis

A huge thank you to everyone who made our farewell Tea Party and the Services in all six churches so memorable! Thanks to all who came to the Tea Party on the Saturday, and who brought mountains of wonderful food for everyone to enjoy. We both tried to speak to everyone, but please forgive us if we weren't able to reach you all. We offer you all our grateful and heartfelt thanks for your gifts of a lovely plant, a very smart railway guard's green flag (which will soon be put to good use!) and an amazingly generous cheque. We have also been receiving lots of other very kind individual cards and gifts, and we want to say thank you for all those as well. Our final service on Sunday 4 September, with its marvellous singing - what a 'Songs of Praise' - was a sad, but very moving occasion, and we had a great sense of thankfulness for everything we have enjoyed and been able to do here with your support and with God's help in the last eighteen years. God has blessed us all with many good gifts, and we know and pray that he will continue to do so in the months and years to come. With many, many thanks to you all, and with our love and prayers and best wishes,

Successful table top sale

There was a huge turnout for the table top, car boot and jumble sale at Aston Village Hall on Saturday 24 September. People came in their droves to support the World's Biggest Coffee Morning event earlier in the day and many came back to clear their clutter or bag a bargain in the afternoon! After pottering around the car boot stalls first, the hall came alive with people hunting for the perfect item at a knockdown price. A huge thank you to the playgroup staff, and the many Mums who volunteered on the day and with the preparations and to all those who booked a pitch or a table and everyone who donated jumble. Also, particular thanks to Jackie Bowen for agreeing to continue her Macmillan fundraising by providing refreshments throughout the afternoon for thirsty customers. The event raised a much-needed £190 for Clunbury Under Fives.

Aston on Clun Village Shop

A small, totally informal group of mainly former customers is now doing some background work to explore the possibilities of a community-run shop. We think that a valuable asset such as a village shop should not be allowed to disappear without looking at feasible alternatives.

We hope to produce a questionnaire shortly so that local people can all express their views on a community enterprise of this nature. The results of the survey should show us whether it is worth carrying on with such a venture. Look out for more news shortly.

This has also led us to a decision to set up, on a trial basis, a Drop-in Centre at the Village Hall.

Why not drop in for a leisurely chat with friends and neighbours? There will be a charge of £1, which includes refreshments. Arrangements are underway and we're likely to be open shortly, so look out for dates and times.

Parish Council Notes

Clunbury Parish Council met on 29 September in Clunbury Village Hall. Present: Cllrs. Bailey, Davies, Marsh, Morgan and Seabury, Clerk, 2 members of the public. Apologies: Cllrs. Collins, Hoskins. Two Cllrs. unaccounted for. Cllr Penny Marsh chaired the meeting.

A minutes silence was held in memory of ex Parish Councillor Ken Jones who died recently.

Matter Arising: A site visit with SC to the byway at Cwm Lane Cottage is being arranged. SC is to publish an order realigning the bridleway near Ashbeds in Clunton Coppice. Cllrs. Consider that the proposed new route for the bridleway is too steep to be ridden safely but there seems to be no further action they can take. Clerk has written three times to BT about the vandalised telephone box in Kempton but has received no reply. Clerk to write again. Janie Mitchall from Kempton has agreed to organise litter picking. SC has offered a site meeting to review speeding traffic problems in Kempton. Our Parish Tree Warden Lizzie Potter has produced a report identifying 80 ageing trees. Some landowners would not permit access so the actual number is probably greater (do they have something to hide or are they just bloody minded?). The next training session for the AED Scheme will be in Clunton Village Hall on 12 November.

A complaint had been received because access to the telephone box at Twitchen is obstructed by waste material, bins and parked cars. Cllrs. Bailey and Morgan to seek to resolve the issue with the residents concerned.

Cllr. Morgan reported that locks on the forest road access gates on Black Hill had been changed and that the keys held by the Parish Council no longer worked. Cllr. Morgan offered to lead an expedition to the Parish Land once the access issue had been resolved. (Apparently the Parish Council, and hence the Parish,

owns land on Black Hill, however, there seems to be a lack of readily available documentation to back this up. In the past the Parish owned more land, but due to poor decisions and a lack of formal procedures by various organisations, assets were squandered and rent foregone. Evidence for what remains seems to rely on the folk memory of the older generation rather than deeds. The current councillors need to put this matter on a formal and legal footing before it is too late).

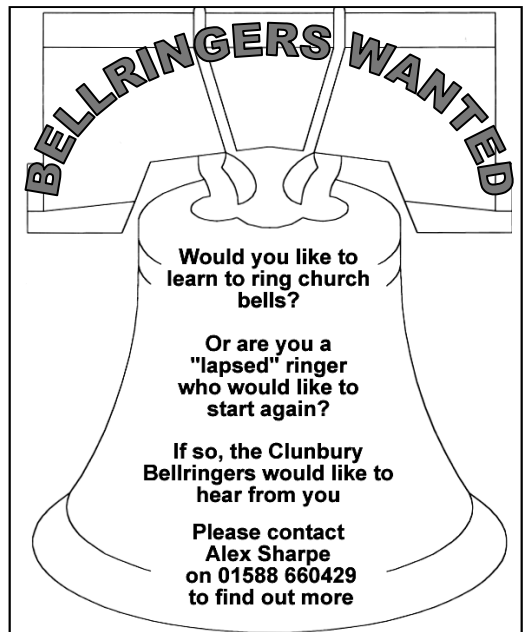

Cllr. Seabury reported that the footbridge over the stream behind Chapel House in Clunbury requires painting (and he should know!). Clerk to write to SC.

Cllr. Davies requested the Clerk to produce a poster reassuring the residents of Clunton that their Millennium funds were still available for them to use.

The next meeting will start at 8.00pm on 17 November in Kempton Village Hall.

South West Shropshire Gardening Club Annual Show

The South West Shropshire Gardening Club held its Annual Show in Lydbury North Village Hall on 3 September. The event was a great success, with the number of entries being up by a third. The judges were delighted with the standard of the fruit and vegetables and flowers despite the difficult season.

The cup winners were: Flowers - Allison Walter, Vegetables - Seonad Wooton, Wine - Sheila Hindle, Honey - Ginny Hall, Store cupboard - Rosemary

Meddins, Cookery - Carol Clarke, Floral Art - Brenda Jones, Photography - Pam Bay and Challenge Cup - Seanod Wooton.

The Club Chairman, Pauline Edie, paid a warm tribute to Mike Craig, who died the previous day. Mike had been Show Secretary for many years and had always worked tirelessly for the Gardening Club. It was due to his efforts that the show had survived over the years and the success this year was a wonderful tribute to him.

For more information about the Club contact Pauline 660120.
