64th Purslow Sports, Show & Gymkhana

↑ fter weeks of cold & rain the sun finally re-appeared on Bank Holiday Monday especially for Purslow Show! Over 1000 adults paid for entrance to the show plus hundreds of children who are admitted free & all enjoyed a wonderful afternoon of events & entertainment. Vintage vehicles & engines were in attendance adding to the atmosphere with their bright colours & sounds.

The Welsh Axe Men provided the entertainment in the main ring. They showed off their skills with a variety of woodcutting tools from chain saws to axes, competing to see who could saw or chop through logs in the shortest time.

The Street Beatz dance troupe various performed tvpes of dance throughout the afternoon. The 25 strong group, formed in 2008 & led by Rachel Baker, are based at Wistanstow where they learn all forms of modern dance.

again The Hill Run attracted competitors from running clubs in the region as well as home grown talent. The first man home for the fifth time was Chris Rimmer.

Competitors in the Equestrian events seemed to be really enjoying the various classes & kept the judges busy until late into the afternoon.

The Dog Show was very popular again & with 12 classes offered something for all dogs & their owners

In the Show Tent (which attracted over 350 entries), the Flower & Garden Produce classes were up to their usual high standard despite the unkind weather in the weeks before the Show. Cookerv & Cupboard classes had large numbers of excellent entries, including it's pleasing to note, some from our men folk & also from children who, it is hoped. will go on to be supporters of the Show in the future. Handicraft & Photography classes were well supported & judged to be of a high standard. The Children's classes. as always, showed great creativity & imagination & formed a wonderful display. Congratulations must go to Eleanor Manley, of Clunbury, who received miniature not only а presentation cup for having gained most points in the Children's' section for three

consecutive years, but also managed to do the same this year as well.

Janet Jinks, a previous Show Tent Chairman is pictured presenting the Dr Hamar Cookery Cup to Anne Williams. Thanks to all involved for another great Show.

Show Tent Chairman's Thanks

would like to thank all members of the Show Tent Committee for their cheerful dedication throughout the year, especially in the days preceding the Show, when they work hard to ensure that the high standard of entries is matched by their presentation.

Particular thanks to Show Tent Secretary, Sue Hill, who does the lion's share of administration & to our team of judges, who give so generously of their time & expertise. We look forward to seeing old friends in 2011 but also hope to welcome those who are competing for the first time.

Rosie Evans
(our Parish
Post distributor
for Beambridge
and Coston),
was interviewed
by Clare
Balding for the
TV series.

Rosie with Clare Balding

Britain by bike. Rosie tells us her story: "Near the end of August last year, I got a

phone call from Lion TV, asking for film footage, photos, maps and information about Arbor Day in Aston on Clun. They also asked me to be in the program they were making about a cyclist who had written extensively about his travels, including in our area.

The producer and assistant came to see me in September 2009, we talked through what they wanted me to tell them and finalised what Clare might ask me. I took them on a tour of 'what was what' around Aston on Clun. Filming was scheduled for the next day, by which time I was a nervous wreck! But Clare Balding really knows her job and after a few minutes I felt I had known her for years and my stage fright abated somewhat. By the time we got going it became quite enjoyable and we had quite a few laughs.

The few minutes that came out on TV in July this year took all morning, and when I asked them when they were 'doing' other people in the village, they said I was the only one! Aaagh!!! And if you saw that 'cheeky grin' of mine, I thought the camera was off then!! "

A life saver?

Do you know your OS map reference? The West Midlands Ambulance Service tend to use Ordnance Survey map references (which are much more precise than postcodes) to locate rural properties. People who lives in a rural area are advised to find out the OS map reference for their house and to have it ready by the phone in case of emergency.

You can find your map reference from an OS map, a GPS device or from some map services on the internet. Your map reference will look something like this SO 370 806 (this is the map reference for Clunbury Church). If you need some help, contact The Parish Post, with your address and phone number.

Parish Council Report

eeting held on 29 July in Clunton Village Hall.

Problems with the bridleway at Ashbeds continue and no resolution is in sight at present.

Sufficient money was raised at the recent coffee morning to cover the cost of repairs to Purslow War Memorial.

The strimming of the banks of Clunton Brook was discussed. There is disagreement between residents about whether the vegetation should be allowed to grow longer for the benefit of the flora and fauna or kept short. Cllr. Davies hoped that a compromise could be found and that it could be resolved between the residents.

A letter had been received pointing out the poor state of Redwood Lane. The Clerk will write to Shropshire Council requesting repair work.

Discussions are continuing on improving visibility at Purslow cross roads and the introduction of a weight limit at Beambridge. The bench at Twitchen has been repaired and the one at Kempton is to be repaired.

A letter from Shropshire Council prompted discussion of emergency planning. Councilors suggested that a list of local emergency telephone numbers could be included in a future edition of The Parish Post.

At a recent LJC meeting, a Shropshire Ambulance Service representative said that they met their target response times. John Croxton pointed out that this related to all of Shropshire and may not apply in more rural areas. (see separate report in this edition on the use of map references).

The issue of schools reorganisation is still out for consultation and in some cases federation is likely.

Kempton Village Hall has received an LJC grant for a new cooker. Any other

local groups that need funding are encouraged to apply to the LJC.

Residents with private water supplies need to be aware of the Private Water Supplies Regulations 2009. If they supply others with water they have an obligation to sample and monitor the quality of the supply.

Parish Plan matters - John Hoskins reported that he had received two responses about flooding from Kempton but none from Clunbury or Twitchen. He would report on this to Shropshire Council. No progress had been made on clean-up. Dentist Katherine Humphreys in Knighton is accepting NHS patients. A new and larger notice board will be put up in Kempton and a board for is planned. Purslow Α board Beambridge was considered unnecessary.

The next meeting will be on Thursday 30th September at 8.00pm in Clunbury Village Hall.

Clun Valley Automated External Defibrillator (AED) Scheme

Oudden cardiac arrest claims over 75,000 lives in the United Kingdom every year. If a defibrillator arrives quickly enough 85% of these patients could have survived. Working in conjunction with the West Midlands Ambulance Service the Clun Valley AED Scheme aims to install AEDs in public buildings throughout the Clun Valley. The first units will be operational in Newcastle and Clun verv shortly and volunteers will be trained in their use during September. The Scheme organizers want to get AEDs installed in Clunton. Purslow and other communities. For the Scheme to work in our area we need enough people to volunteer to be trained to use an AED. If you would like to volunteer to be trained. help raise funds or just find out more about the Scheme contact David Hill telephone 660355

South West Shropshire Gardening Club

The year ended on a high note when the Pittwoods from Radnor Cottage gave an inspiring presentation. With the help of slides, Pam demonstrated how it is possible to enjoy flowering plants in your garden all the year round.

This summer the club has enjoyed two events. A charity tea at the home of Rod and Di Casey in Clunton raised £532 for St Mary's Church, Clunton. The outdoor meetina was at Cruckfield gardens at Ford followed by supper at the Callow Hill Inn. The next big event is Garden Show on Saturday 4 September in Lydbury North Village Hall. Schedules from Mike Craig, phone 660240. The next meeting is the AGM on Wednesday 22 September in Lydbury North Village Hall. New members are always welcome.

Correspondence Tree Warden

I have been a Tree Warden for several years & now think it should be handed over to someone else. It is not a difficult job it's fun but needs a little more time than I can spare. Anyone who reads this can contact me for more information, email noelandanne@btconnect.com or phone 660309.
